## Wire Fraud

01

### DO NOT CLICK ON LINKS IN UNFAMILIAR EMAILS

Wire fraud is conducted by sending false wire instructions to clients' emails, allowing withdrawals from accounts. Do not click on links from unfamiliar contacts.

02

### CONTACT TITLE COMPANY

If you're unsure about the validity of an email or wire instructions, contact your title company directly. Do not use the contact info in the email, instead, google the company number.

03

### NEVER TEXT OR EMAIL PERSONAL INFORMATION

Confidential information about your identity should never be emailed, texted, or shared online. Ex.) Social security number, address, bank account numbers, credit card info, etc.

04

### USE SECURE WIFI

Using an unsecured network makes you more vulnerable; data transmitted while on the network is unprotected. Anyone could spy on your information.
